

Storage

Greenlee storage boxes protect the tools you depend on for your livelihood. From our smallest storage chests to the large field office, our products are built as tough as the trade. With Greenlee's patented, dual-recessed lock enclosures, you know you'll keep thieves out. And the newest feature on all of Greenlee's storage boxes are the redesigned ergonomic handles – just another way Greenlee is helping to make your job easier.

Hinged Lower Shelf

- Large capacity storage with traditional slant-top design.
- Recessed and concealed lock protectors provide maximum security against drilling and cutting locks.
- Channel reinforcements on lid lock side panels into lid for added security when closed.
- Hinged lower shelf enables storage of larger items.
- Hemmed (reinforced) high-strength shelves.
- Continuous, non-removable hinge pins help prevent theft.
- Strategically located, easily accessible, durable gas-shocks provide for ease in opening lid (except Model 2260).
- Angled 3-1/2" high support skids.
- Angled handle recess prevents pinch points.
- Features two reinforced steel shelves with large lip to prevent items from rolling off (Model 2260, one shelf only).
- Double-hinged cover on Models 3648 and 3660 folds up and out of the way.
- Model 2260 comes with lid support to form waist-high, flat work area.
- Patent pending.
